exclusive rights to photography. Use of photography without written  
permission of Cynosure is prohibited. Cynosure and PicoSure are  
registered trademarks and trademarks of Cynosure, LLC.

These before and after photographs are of a patient treated with  
Cynosure's PicoSure device, not the PicoSure Pro device advertised  
herein. The PicoSure Pro device has the same parameters as the  
PicoSure device and so while individual results vary, similar results  
are expected.

Like all medical procedures, not all patients are suitable for  
the treatment. Talk to your medical provider about the risks  
and benefits of this procedure. A qualified practitioner is solely  
responsible for evaluating each subject's suitability to undergo  
treatment and for informing those being treated about any risks  
involved with the treatment, pre-and postoperative care, and any  
other relevant information. Individual results may vary and are not  
guaranteed.

## PicoSure Pro/

Gentle picosecond  
technology

Noticeable results

Minimal to no  
downtime

### How It Works

The PicoSure Pro technology delivers energy so rapidly (In trillionths of a second) that tiny particles vibrate and shatter pigment without heat and burning surrounding tissue.

It stimulates your skin's natural refreshing processes to create brighter, younger-looking skin in just 10-minutes!

100% patient  
satisfaction/

(as reported by RealSelf, April 2021)

### Start treating these today:
